For use with children from birth to 2 years.
Adult assembly required.

COMFY CLEAN DELUXE NEWBORN-TO-TODDLER TUB

INSTRUCTION MANUAL

Thank you for purchasing the Comfy Clean Deluxe Newborn-to-toddler tub by Summer Infant. This 3-stage tub is designed to grow with your little one from newborn, to infant and toddler stages of bathing. The built-in contoured support keeps baby from sliding in the tub while providing optimal comfort and support. This tub also includes a newborn sling with padded headrest to keep baby comfortable while bathing.

⚠️ **WARNING: IMPORTANT! KEEP FOR FUTURE REFERENCE!**

⚠️ **WARNING: DROWNING HAZARD**

Drowning Hazard: Babies have **drowned** while using infant bath tubs.

To prevent drowning:

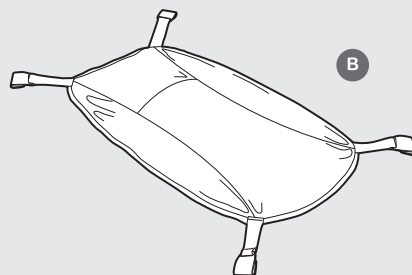

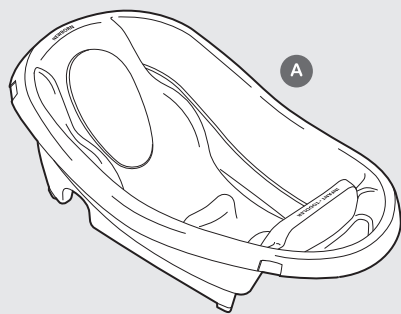

- **Stay** in arm's reach of your baby.
- **Never** rely on a toddler or preschooler to help your baby or alert you to trouble. Babies have drowned even with other children in or near bath tub.
- Babies can drown in as little as **1 inch** of water. Use as little water as possible to bathe your baby.
- Use in **empty** adult tub or sink.
- Keep drain **open** in adult tub or sink.
- **NEVER** bathe baby until you have tested the water temperature. **ALWAYS** check water temperature before placing child into tub.
- Bath water should be between 90°F and 100°F (32.2°C and 37.8°C).
- This product is not a toy. **DO NOT** allow children to play with it.
- Bath sling suitable for babies from birth (0-3 months, up to 10 lbs.).

Fall Hazard: Babies have suffered **head injuries** falling from infant bath tubs.

To prevent falls:

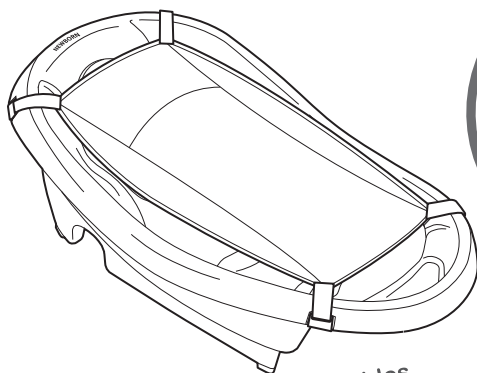

- Place tub **only** in adult tub or sink for safe use.
- **Never** lift or carry baby in product.
- Never use on uneven or elevated surfaces.
- **NEVER** leave children unattended.
- Discontinue use of product if damaged, broken, or disassembled.

components:

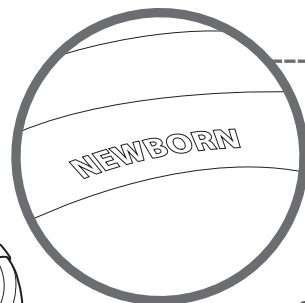

- A Tub
- B Newborn Sling

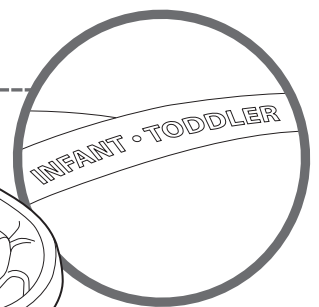

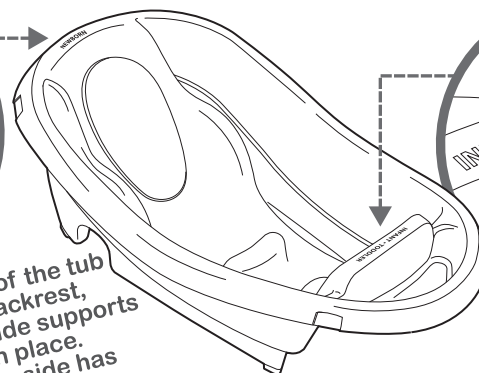

modes of use:

The newborn sling provides a padded headrest and fabric support for baby.

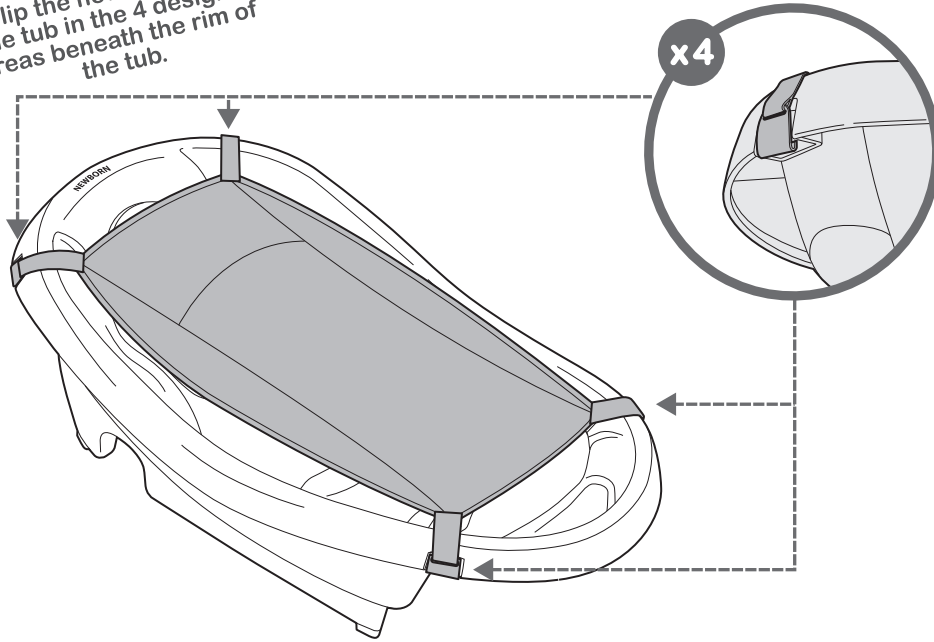

The newborn side of the tub has a padded backrest, support seat, and side supports to keep baby in place. The infant-toddler side has a large seating area with a high backrest and soft foam seat for growing babies.

NOTE: We recommend **Newborn Sling Mode** for **0-3 months, up to 10 lbs.**, **Newborn Mode** for **3-6 months**, and **Infant/Toddler Mode** from **sitting up unassisted to 2 years**.

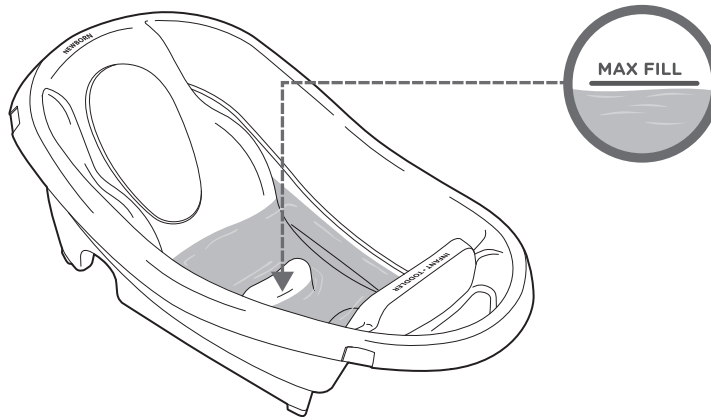

to use newborn bath sling:

Clip the newborn sling to the tub in the 4 designated areas beneath the rim of the tub.

NOTE: We recommend using the newborn sling with babies 0-3 months, up to 10 lbs. As your baby grows, transition child to the padded, reclined backrest using the contoured hump in the tub for positional support.

fill level:

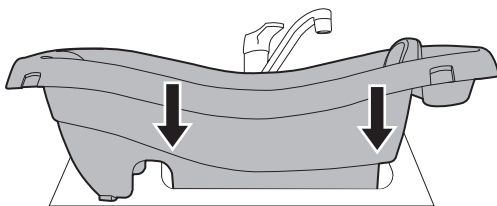

IMPORTANT: Bath water should be between 90°F and 100°F (32.2°C and 37.8°C).

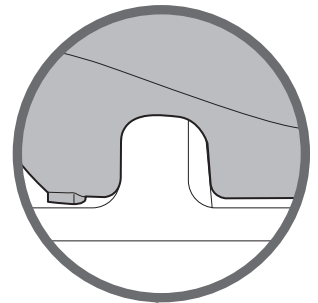

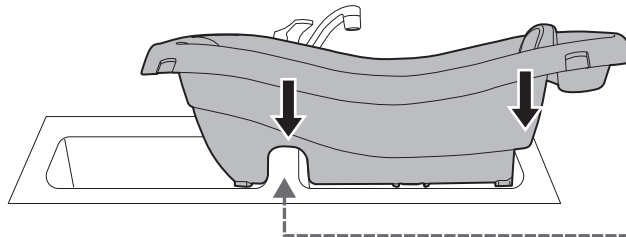

IMPORTANT: Never fill tub past the max fill line.

secure to single or double sink:

Seat the base of the tub into a single sink.

Use notch on the tub's base to secure to the divider on double sinks.

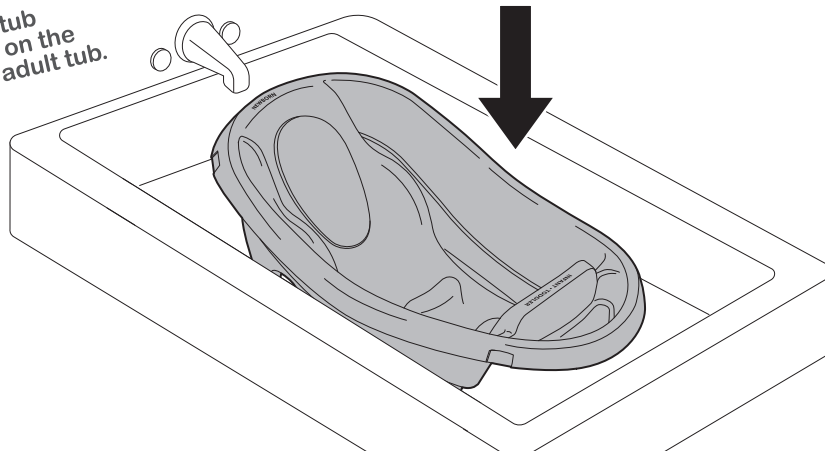

CAUTION: ALWAYS test for a secure fit in the sink before placing baby in tub.

IMPORTANT: Shift tub to one side as far as it will go and push down firmly to confirm tub stability. Shift tub in the opposite direction as far as it will go and push down firmly to reconfirm tub stability.

to use in adult tub:

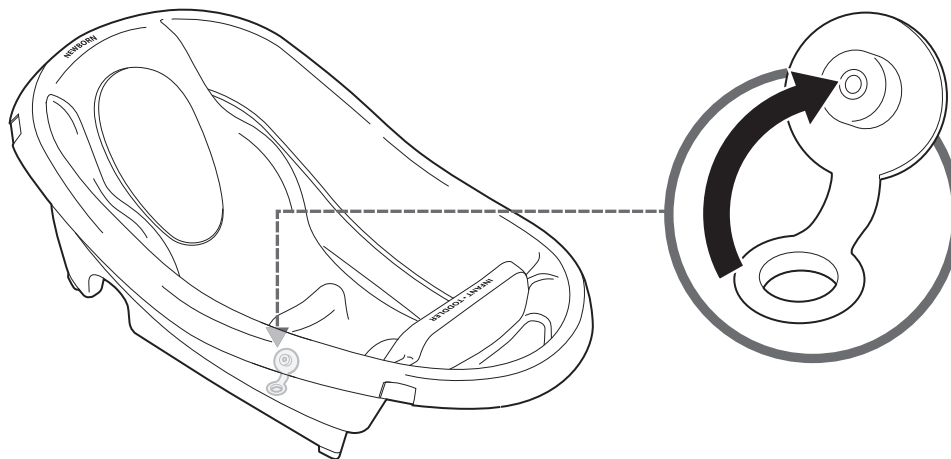

Place tub
securely on the
floor of an adult tub.

IMPORTANT:
ALWAYS keep the drain
open in the adult tub!

draining the tub:

Pull plug
to drain tub.

cleaning & maintenance:

- Newborn Sling: Machine wash on delicate cycle with mild, color-safe detergent. Air dry.
- Tub: Clean with a damp cloth, mild soap, and clean warm water.
- Do not use product if any components are damaged.
